Archbishop's Annual Appeal --- Making a Difference

Individuals and families living with disabilities, particularly developmental disabilities, often feel at the margins of parish life. They also typically have additional struggles concerning their relationship with God, world, church, and school systems. The Archdiocesan Department of Pastoral Ministry with Persons with Disabilities works to build structures of support at the parish level to address this special group. The department seeks to affirm the Baptism of people with disabilities, acknowledging their call to participate in the life and mission of the Church, to the extent that each person desires and is able. This includes catechesis and faith formation, the sacramental life of the Church, evangelization, outreach and pastoral ministry.

Last year, with the help of this department, 112 parishes in the Archdiocese offered catechesis for individuals with disabilities. It also promotes faith-based support for mothers and fathers, Inclusive Family Masses and has worked directly and indirectly with more than 500 families over the past few years.

Thank you for your support of the Archbishop's Annual Appeal, which helps bring to reality the experience of welcome and affirmation for individuals and families living with disabilities in the Archdiocese of Newark.

STEWARDSHIP: In today's first reading, we hear Samuel respond eagerly, "Here I am!" each time the Lord calls him. May we, too, be listening for the call of God in our lives and be ready to say like the psalmist, "Here am I, Lord; I come to do your will."

MAYORDOMIA: En la primera lectura de hoy, escuchamos a Samuel responder entusiasmadamente, "Aquí estoy" cada vez que el Señor lo llama. Que nosotros, también, estemos escuchando en nuestras vidas el llamado del Señor y estemos listos para decir como el Salmista, "Aquí estoy, Señor; vengo a hacer tu voluntad."
